

## Statement of Copyright Transfer and Competing Interests

In accordance with the *Copyright Law of the People's Republic of China*, all copyright owners agree that once the article is published in *China Rubber Industry*, the copyright of the article (in any language) will be transferred to the editorial office of *China Rubber Industry*, including the right of reproduce, issuing, online dissemination, translation, compilation (worldwide) and adaptation free of charge. The copyright owners exclusively authorize the journal to apply for the copyright registration of the article in any language and in any media.

### Section 1: Copyright owners have the following rights:

1. Property rights except for copyright
2. Non-exclusive rights

When the article submitted is compiled into personal anthologies or published in collection as a personal work (including the author's personal website), the permission by the editorial office is not required, but it must be explained that the article is published on *China Rubber Industry* and the page number should be specified.

3. Disseminate whole or part of the article for research, summary, speech or teaching.
4. The legal person or the organization of the author disseminates the article for internal use within its business scope.

The copyright owners promise that when exercising the above rights and making copies of the article, they will state that the article has been published in *China Rubber Industry*.

### Section 2: Copyright owners guarantee:

1. The article is an original research achievement independently obtained by the copyright owner, and the content does not involve confidentiality.
2. This article has never been published in any form or in any language at home and abroad.
3. The content of this article does not infringe the copyright and other rights of others. The authors bear all responsibilities arising from the infringement of the paper, and will compensate for all the losses caused to *China Rubber Industry*.
4. The content of this article, the author's signature and its order have been reviewed and agreed by all authors.

5. All copyright owners accept the standard of charging and remuneration and are willing to cooperate.

### **Section 3: Copyright owners promise:**

1. The article submitted will not be published in any form or language in other publications in the future.
2. On behalf of all copyright owners, the submitter (one of the authors) agrees all terms of this agreement, which is binding on all copyright owners.
3. The copyright owners guarantee that they are qualified to sign the agreement and make corresponding commitments.

### **Section 4: Copyright owners are aware that:**

*China Rubber Industry* is an open access journal. Once published, all articles will be immediately and permanently available for readers to read and download free of charge. Permitted third party reuse of the articles published by the journal is defined by the following user license: Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 (CC BY-NC-ND 4.0). This license allows reusers to copy and redistribute the material in any medium or format. The licensor cannot revoke these freedoms as long as the license terms below are followed: reusers must give appropriate credit, provide a link to the license, and indicate if changes were made. Reusers may do so in any reasonable manner, but not in any way that suggests the licensor endorses the use. Reusers may not use the material for commercial purposes. If reusers remix, transform, or build upon the material, they may not distribute the modified material. The authors have right to spread or make use of the article under the CC BY-NC-ND 4.0 License. The full details of the license are available at <https://creativecommons.org/licenses/by-nc-nd/4.0/>

### **Section 5: CompetingInterests**

*China Rubber Industry*, in compliance with the guidance of the Committee of Publishing Ethics (COPE), asks the authors to disclose all relationships/activities/interests listed below that are related to the content of your manuscript.

1. All financial support for authors and their institutes from any institute or company at any time.
2. Non-financial support for the present manuscript from any institute or company such as research design, data collection, data analysis, provision of materials or equipment, provision of software, medical writing and polishing and so on.
3. Possessing stocks, having consultancy or other employment relationship or receiving any payment from a company such as honoraria, travel support, gift and so on.
4. Common interest with a company such as patents and royalties.
5. Any other competing interests which may impair the credibility of the manuscript.

If there is a conflict of interest, the editorial office should be informed by authors upon submission. The journal encourages authors to declare conflicts of interest at the end of the article.

By submitting, the authors confirm that there is no conflict of interest for the submitted manuscript, or the conflict of interest has been disclosed at the end of the manuscript, and the editorial office has been informed about the conflict of interest.
